Hi Mike:

For our 11:30 meeting today, obviously MOU review is the main item but here is a draft agenda for you to add to:

- * brief update (appropriations rider, USDA drought declaration, California legislative update, anything else?)
- * reminder about coordinating our public communications/actions relating to Bay Delta (e.g., we had no idea that USDA was going to do a drought declaration)
- * update on Sept. 30th meeting
- * review and edit MOU

David Nawi just sent me a few more redlines, including some language on consolidation -- attached. Any problem if I send this around? Thanks.
